

Wooden Garden Canopy

Ideal for use as a BBQ hut or hot tub shelter. A stylish outdoor dining area for cooking and eating is easy to create with these canopies.

Our wide range of rustic garden furniture designs are made from rough sawn and pressure treated timbers in our own factory in the UK.

A self-build gazebo kit that is cut and drilled to size and ready to build.

Supplied as a flat pack kit, with fixings

Ridge height 3100mm as standard
