

 3-4hrs

# Rustic Wooden Gazebo Kit

The Wooden Gazebo kit is cut ready to be built. Ideal as a BBQ shelter, hot tub canopy or covered garden seating area, with a sturdy timber frame, rafters, roof and fixings included.

Simply secure the posts and screw it together, the ideal option for adding your own roof so you can enjoy a smart, practical outdoor space.

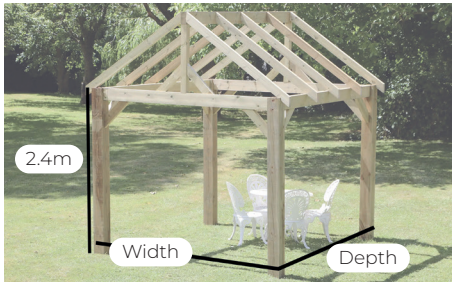

Supplied as a flat pack kit, with fixings

Ridge height 3100mm as standard

400mm overhang at the front
